Sir:

INFORMATION DISCLOSURE STATEMENT

In order to ensure compliance with the applicant's duty of disclosure under 37 C.F.R. § 1.56 and § 1.97(a)-(d), Applicant hereby submits this Information Disclosure Statement.

This Information Disclosure Statement is being filed pursuant to 37 C.F.R. § 1.97(d), after the mailing date of a Notice of Allowance, but before payment of the issue fee. A Notice of Allowance was issued November 1, 2007 in connection with the application. The issue fee is due February 1, 2008. Applicant has not yet paid the issue fee.

The reference listed in the Form PTO-1449 annexed to this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. The reference listed in the annexed Form PTO-1449 was cited in a September 26, 2007 official action in connection with a counterpart Chinese patent application. A copy of the September 26, 2007 Chinese official action and English translation thereof is also enclosed herewith.

The fee under 37 C.F.R. § 1.17(p) for filing an Information Disclosure Statement pursuant to 37 C.F.R. § 1.97(d) is ONE HUNDRED EIGHTY DOLLARS (\$180.00). A check for the

\$180.00 fee is enclosed herewith.

It is respectfully requested that the information cited in the annexed Form PTO-1449 be considered by the Examiner in connection with the above-identified patent application, and that such art be made of record in said application.

According to the August 5, 2003 OG Notice published by the Patent and Trademark Office, the Office has waived the requirement under 37 C.F.R. §1.98(a)(2)(i) for submitting a copy of each cited U.S. patent and each cited U.S. patent application publication for all U.S. national patent applications filed after June 30, 2003 and for all international application that have entered the national stage under 35 U.S.C. §371 after June 30, 2003.

Accordingly, copies are submitted herewith for only references listed on the annexed Form PTO-1449 that are not a U.S. patent or U.S. patent application publication.

The citation of the listed item is not a representation that it constitutes a complete or exhaustive listing of the relevant art or that the item is prior art. The item listed is submitted in good faith, but is not intended to substitute for the Examiner's search. It is hoped, however, that in addition to apprising the Examiner of the particular item, it will assist in identifying fields of search and in making as full and complete a search as possible.

The filing of this Information Disclosure Statement is not an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

The Patent Office is hereby authorized to charge any additional fees that are required for consideration of this Information Disclosure Statement, and to credit any overpayment during prosecution of this application, to our Deposit Account No. 03-3125.

Respectfully submitted,

Paul Teng, Reg. No. 40,837
